Acknowledgments

Preparation and conduct of the Conference on International Money, Credit, and the SDR—which was held in the Executive Board Room of the International Monetary Fund in Washington on March 24–25, 1983—involved principally the following persons at the Fund:

Conference Host, Chairman, and Overall Direction

Mr. Wm. C. Hood
Economic Counsellor
and
Director of the Research Department

Chairpersons

Mr. William B. Dale
Deputy Managing Director

Mr. Alexandre Kafka
Executive Director
and
Dean of the Executive Board

Mr. J.J. Polak
Executive Director

Mr. Walter O. Habermeier
Counsellor and Treasurer

Mr. C. David Finch
Director
Exchange and Trade Relations Department

Mr. Rudolf R. Rhomberg
Deputy Director
Research Department

Organization, Content, and External Liaison

Mr. George M. von Furstenberg

*Chief, Financial Studies Division**Research Department***Internal Liaison and Executive Board Arrangements**

Mr. Alan Wright

*Deputy Secretary, Secretary's Department***Editorial and Publication Arrangements**

Messrs. A.W. Hooke and Paul Gleason

*Editors, External Relations Department***Press Relations and Publicity**

Mr. Charles S. Gardner

Deputy Director, External Relations Department

Biographical sketches of the presenters and discussants of conference papers, Chapters 1–8, are provided at the end of this volume. The summary of the conference findings, Chapter 9, was produced by Mr. George M. von Furstenberg on the basis of the panel discussion between presenters and Executive Directors which concluded this conference. Of the background papers, which were distributed in advance to conference participants (Chapters 10–13), Chapter 10 was written by Mr. Robert E. Cumby while he was in the Research Department of the Fund; Chapter 11 was prepared in the Research Department; and Chapters 12 and 13 in the Treasurer's Department, all in consultation with other departments.
